

Registering for *Child and Family Team Guide for Foster Parents*

1. Go to <https://moodle-projects.wolfware.ncsu.edu/course/view.php?id=2387>
2. On the right-hand side under the heading “Projects User Login,” review the instructions under “New Projects Users” then select “Create new account.”

Note: If you are affiliated with NCSU and have a Unity ID, Brickyard ID, or Project User Login, do not create a new account; rather, use your existing ID and password to log in.

3. Fill out the form and tap “Create my new account.”
4. You will receive an email from LearnTech with a link to confirm your new account. Tap on the link.
5. Once the link brings you to the next page, tap on the “Enroll Me” button. Under the gear icon, you will see a link that says, “enroll me in this course.” Click that link to continue.

Note: If this does not work, enter the course link into your URL bar again and log in using the username and password you just created:

(<https://moodle-projects.wolfware.ncsu.edu/course/view.php?id=2387>)

6. You will then be brought to the training Moodle Page.

Congratulations! You are ready to start the training!
